

Amendments To The Drawings

The attached sheet of new drawings, namely, new Figures 9, 10 and 11. New Figure 9 shows the two weakened zones 20a (side located) of Figure 3 extending onto the front of packing unit 16a. Figures 10 and 11 show such weakened zones 20a on the sides (edges and edge areas) of the packaging unit 16a of Figure 3.
